◆ THE PANDULIPI WAY

Scripture, the way it was *first written*.

Before print, every granth was a pandulipi: loose pages held between two covers, tied with a thread and kept in the home mandir for generations. MyPandulipi brings that feeling back. Every granth is made to be held, opened with care and read every day, not left on a shelf. We are Chandni and Rupesh, and we pack every order ourselves in Indore.

काष्ठ

Engraved wooden cover

A sturdy wooden cover with the granth's name in golden lettering. Built for years of daily path.

सूत्र

Tied with a sacred thread

Loose pages held by a red and gold dori and a wooden bead, like the manuscripts of old.

अक्षर

Clear, easy to read

Large Devanagari on thick cream pages. Comfortable for every age.

उपहार

Ready to gift

Every pandulipi comes in its own gift box. Hand it over as it is.
